Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Response is filed in response to the Examiner's Office Action dated August 25, 2004. The Examiner will note that this Response is being timely filed as its due date falls on Thanksgiving, a federal holiday.

### Double Patenting Rejections

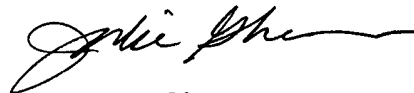

The Examiner has presented a double patenting rejection over patent no. 6,742,225 and a provisional double patenting rejection over application no. 10/638,990. Accordingly, Applicant herewith files a Terminal Disclaimer, with the accompanying fee, to overcome these rejections. Applicant's filing of the Terminal Disclaimer should not be construed as acquiescence of the Examiner's double patenting or obviousness-type double patenting rejections.

### Conclusion

If additional issues remain which might be resolved by a telephone conference, the Examiner is respectfully invited to contact Julie Gheem, one of Applicant's attorneys of record, at (801) 323-5924.

DATED this 26th day of November, 2004.

#### TERMINAL DISCLAIMER

I. Terminal disclaimer with respect to prior patent no. 6,742,225

The owner, Z Gear, Inc., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 6,742,225. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

II. Terminal disclaimer with respect to co-pending application no. 10/638,990

The owner, Z Gear, Inc., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number 10/638,990, filed on August 11, 2003, of any patent on the pending second application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on the second application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

III. The fee under 37 CFR 1.20(d) for this Terminal Disclaimer is herewith included via authorization, in the enclosed Fee Transmittal, to charge the specified deposit account.
